

# Shape Hunt

Standards: Math K.11, CS K.1, K.2

Materials: Mobile device, Blue Bot App

## Challenge One:

Load the Shapes grid.

Choose Explore mode.

Select Step by Step.

Drag your Blue Bot to the yellow square.

Navigate from the yellow square to the red triangle.

I pressed  \_\_\_\_\_ times.

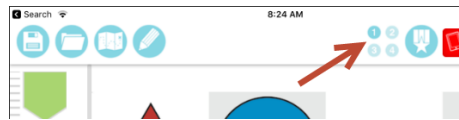

I pressed  \_\_\_\_\_ time.

I pressed  \_\_\_\_\_ times.

## Challenge Two:

Switch to Basic Programming.

Create an algorithm to move your Blue Bot from the yellow square to the red triangle.

Press Go.

Did your Blue Bot go to the red triangle? \_\_\_\_\_

Bonus: How many different ways can you go from the yellow square to the red triangle?
